

Barn Rules

01. Children under the age of 18 must be accompanied at all times by an adult.
02. Helmets are required at all times. It is strongly recommended that riders wear ASTM-approved safety helmets.
03. Long pants and heeled boots are **strongly** recommended.
04. All riders must sign a **Liability Release Agreement** before they will be allowed to mount.
05. No jumping without someone present. No jumping unless you're in some kind of a program. It's not fair to those who are in a program. If you need an exception from time to time, please ask.
06. If you break it, replace it. Or let someone know, don't just leave it for us to find.
07. Unlike most barns, we don't pack the farm with horses and they're out more than they're in. This means they get more forage than most facilities and the closest thing to "free choice" you'll find. Please don't help yourself to the hay barn. This helps keep our board rates lower than most.
08. Never pet or feed a horse you do not know. Ask permission.
09. Never touch anyone else's tack, equipment or property without permission.
10. Please clean up after **yourself and your horse**. This includes common areas, wash stalls, tack room, and bathroom. Please hose down the wash stall **after each use**.
11. Please help keep our fridge clean by disposing of items no longer needed. SCE management will clean out the fridge **every month**. Items without a name or date will be discarded.
12. Please help keep our bathroom and kitchen free of dust by closing the door after use.
13. No horseplay at the barn. This includes running, shouting, throwing projectiles, waving objects, wrestling, fighting and chasing.
14. No **gossip** at the barn. If you have a conflict, resolve it with the other person or talk to a barn team member
15. While SCE is pet friendly, any pets (i.e. dogs) creating a nuisance may be asked not to return. And if your dog chases cats or creates conflict with our dogs, please leave them at home.
16. Absolutely no smoking in the barn or near the arenas.
17. Inhumane, neglectful, or malicious treatment of animals or humans will not be tolerated.
18. Be respectful of other people and their horses when riding or visiting the barn.
19. There will be no running or loud screaming/yelling in the barn or around horses.
20. **If rules are not followed you will be asked to leave.**
